SUMMARY

Due to our expansion and strong client base, there is now a fantastic opportunity to expand our team. We are looking for a Warehouse Technician who will carry out both general warehouse duties, preparation & de-prepping.

THE COMPANY

We are a live event, production and equipment rental company who supply a wide range of technical services to the live events sector across the UK and overseas. The company is made up of a passionate and knowledgeable team with a proactive attitude to problem solving. We utilise cutting edge, stage, light, sound, video, power and rigging equipment to bring our clients visions to life to create memorable moments and events.

THE ROLE

You will be working closely with the warehouse manager and other Technicians to help prepare and maintain the equipment needed for a broad range of events. These often include concerts, sporting events, weddings, private parties, illuminations, corporate award ceremonies and conferences for a range of well-known clients.

- Hands on preparation of equipment – stage, light, sound, video, power and rigging
- Checking in and testing equipment returned.
- Ensuring all equipment is kept clean, maintained and well presented
- Preparing and checking equipment for upcoming projects and hires.
- Ensuring workspaces are kept in clean and orderly condition
- General service, maintenance, and repair of equipment
- Delivery and Collection of hires
- Loading / unloading of vans and trucks

The above is not an exhaustive list and you may be required to undertake other related duties required by the businesses.

THE CANDIDATE

The successful candidate(s) must be able to work well in a team, have good attention to detail, have a basic knowledge of technical equipment and be prepared for continued development of their skills. Whilst the role is predominantly within normal working hours you should have a flexible work ethic including working occasional weekends. This position would be ideally suited to a current venue technician, production technician or freelancer who is looking for more sociable working hours.

Due to our motor vehicle insurance, our ideal candidate(s) will be aged over 21 with a full UK driving licence and experience driving vans.

OUR COMPANY CORE VALUES

Our company core values are the mechanism to ensuring we hold ourselves and each other accountable, to ensure we provide a great place work and importantly deliver great value and service to our clients. These are the values we look for when recruiting new members of our team.
